Both indoor AND outdoor cats need a rabies shot!

Please keep your pets on a leash or in a carrier and keep them close to you. Bring your pet's past rabies shot records.

A voluntary donation per family is appreciated.

Questions? Please call Animal Disease Prevention or visit www.ongov.net/health/ADP.html
435-3165

New York State Public Health Law requires that all puppies and kittens get their first rabies shot at three months of age. They also need to get a booster shot at one year old and then again every three years. Ferrets must get a shot every year.
