Both  
indoor AND  
outdoor cats  
need a rabies  
shot!

Please keep your pets on a leash or  
in a carrier and keep them close to you.  
Bring your pet's past rabies shot records.

A voluntary donation per family is appreciated.

Questions? Please call **315-435-3165**  
Animal Disease Prevention

New York State Public Health Law requires that all puppies and kittens get their first rabies shot at three months of age. They also need to get a booster shot at one year old and then again every three years. Ferrets must get a shot every year.
